WT5095FB

PRODUCT CODE	OSFB03	**CATEGORY**	Architectural Window Film
SERIES	Outside Install Series	**SPECIFICATION**	1.524*30

PHYSICAL & TECHNICAL PARAMETERS

PARAMETER	VALUE
Width	1.52 m
Length	30.00 m
Contact Angle	102

DESCRIPTION

WT5095FB is a premium architectural window film engineered for solar control, energy efficiency, and enhanced privacy. Designed for professional installation on commercial and residential windows.

Specifications:

Size: 1.524*30

Product Code: OSFB03

ADDITIONAL PARAMETERS

Visible Light Transmittance	50
Visible Light Reflectance (External)	8
Visible Light Reflectance (Internal)	8
Infrared Rejection	95
UV Rejection	99
Shading Coefficient	0.56
Heat Transfer Coefficient (U-Value)	1.8
Total Solar Energy Rejected	58
Surface Hardness	2
Haze	1
Thickness	2.5

APPLICATIONS

Architectural Window Film Installation
